## MAGILL SCHOOL

Term 2, Week 2

Friday 7th May 2021

### GREAT START TO TERM 2

Thank you to everyone for a great start to the term. It promises to be another term of wonder, excitement and learning for all of us at Magill School.

**NAPLAN** – Our Year 3, 5 and 7 students will be participating in NAPLAN from Tuesday 11<sup>th</sup> - Friday 21<sup>st</sup> May.

It is important that student's feel prepared and supported to give it their best and look forward to the challenge. Stressed and anxious students usually don't perform that well, so it is important to take the pressure off and help them understand that NAPLAN is one piece of a wider picture into their learning and achievement.

A good night's sleep, a healthy breakfast, along with the support and encouragement from family and teachers will ensure that our students give it their best effort.

**Sun Smart** - As we are now in May, hats will need to be worn outdoors when the predicted UV is 3 or higher. Please make sure that your child always has a Sunsmart hat at school.

**Uniform** – with the colder weather upon us, please remember that your children need to wear the correct uniform. We've noticed black pants, tights being worn which are not part of our uniform. Please purchase the appropriate green pants and green stockings from the uniform shop. Green stockings are also available to purchase from the front office.

**2022 enrolments** – Although we have only just started term 2, our planning for 2022 is not too far off and it is very important that we make decisions based on accurate information, particularly because of the Year 7s move to high school next year. Our enrolment register cut off is the end of this term for children who live in the zone or those who have siblings currently attending Magill School. Please refer to the enrolment section of our website for further details. When you have all the necessary documentation, please contact our enrolment officer via email [enrolment.officer588@schools.sa.edu.au](mailto:enrolment.officer588@schools.sa.edu.au) or ring the office on 8331 9422.

**SECOND HAND  
UNIFORMS ON  
FACEBOOK**

The Magill School Facebook page for second hand uniform items is up and running to assist families to buy, swap or sell official Magill School uniforms only. The page is a closed group and you will need to agree to the terms and submit your child's information in order to join.

You can join by finding the link on the school Facebook page. Please note this group is not administered by Magill School. The page will be administered by parents from our uniform committee. Parents are responsible for their own transactions when they buy, swap or sell.

# CONGRATULATIONS ZITONG WINNER OF THE DAVID MERCHANT PRIZE (AMEB)

Congratulations to Zitong W who was recently presented with the David Merchant Prize at the AMEB SA & NT Awards Ceremony for the 2020 Candidates at Elder Hall, University of Adelaide.

The successful recipient is selected based on the results of their Grade 6 or higher practical Examinations for Piano, Organ (Pipe), or the written Examinations in theory or Musicianship, The Prizes Committee make the final selection based on the candidate most worthy to receive the Prize.

Well done Zitong. This is a fantastic achievement.

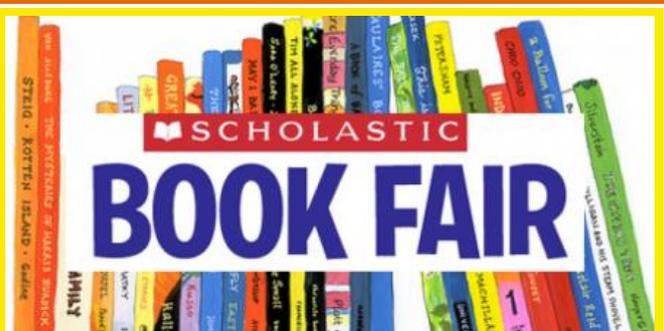

## PLEASE PARK SAFE

A reminder to parents .....Staff car parks are not to be used by parents. This includes Admin carpark (Adelaide Street), OSHC car park (Magill Road), Penfold carpark (Penfold Street) and Dental carpark (Park street). Parents are not to park in these carparks when picking up students from after school activities eg dance classes, sports practice and OSHC. For the safety of our students do not park in any staff car parks, they are for staff only.

**Students are not permitted to walk through staff car parks.**

**Please be considerate of our neighbours by not parking across resident's driveways. The Burnside Council patrols the surrounding area of Magill School and will fine persons parking illegally.**

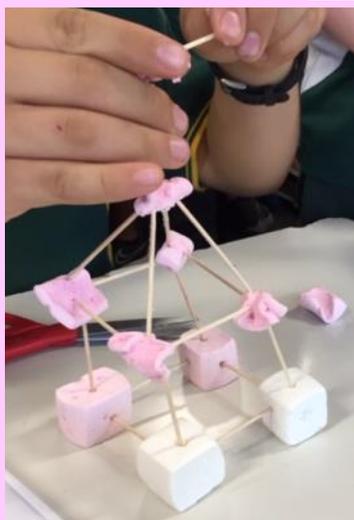

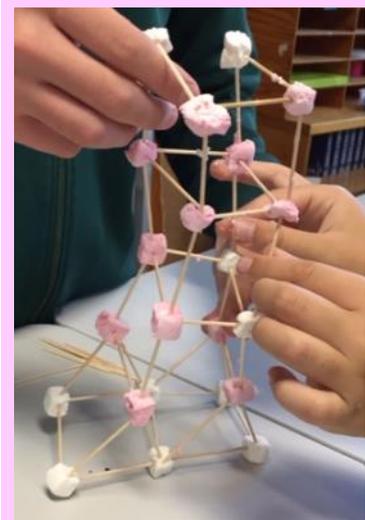

**Monday 31st May  
to  
Friday 4th June.**

## Marshmallow and Toothpick STEM Challenge

The buddy groups from F3 and F8 were given a challenge to build the tallest tower from 50 toothpicks and 8 marshmallows. They had to work together to create a design before building their free-standing towers. The students enjoyed sharing their ideas and problem-solving!

# YEAR 7 TO HIGH SCHOOL IN 2022

## Parent Update

### Week 1, Term 2 – 2021

#### Where to find information on moving to high school

Starting high school is a big and exciting step for any student. For our current year 6s, it will also be historic, as they will be part of the first class to begin year 7 in South Australia's public high schools in 2022.

We know families have a lot of questions about the year 7 to high school move, regardless of what year their child is in, as it will involve some change for primary and high school communities across the state. This Parent Update will direct you on where to go for answers.

#### Have a look online

The Department for Education website provides information and advice on the year 7 to high school move for families, students and school staff. Visit [education.sa.gov.au](http://education.sa.gov.au) and click on the 'Year 7 to High School' icon on the website's home page, or search [education.sa.gov.au/7toHS](http://education.sa.gov.au/7toHS). Read about how the move will work, regional considerations, support for students with additional needs, school sport competitions and much more.

Families can also watch videos featuring year 7 students who have already made the move to high school sharing their experiences. If you are interested in research that has gone into the year 7 to high school move, you can also download the full findings from our pilot program review on the website. The pilot has involved three public high schools that started welcoming year 7s in 2019 to provide early insights on the move.

#### Ask your local schools

Our primary and high schools are working together to ensure the move is successful for families. Schools are a great starting point for anyone wanting to know more about the move at their local level and they can also assist you with transition, registration and enrolment advice.

In metropolitan Adelaide families can use the 'find a school' tool on the Department's website at [education.sa.gov.au/findaschool](http://education.sa.gov.au/findaschool). It provides details of your local zoned high school and other public schools nearby.

Visit your high school website, find them on Facebook or phone their front office for information on curriculum, extra curricula activities and specialist programs they offer, as well as upcoming open days or tours.

#### Register your interest for secondary school in 2022

Registrations of interest are open for families to apply for their year 6 or 7 child to start secondary school in 2022.

All public primary school families will shortly receive a unique link by email or letter to access their child's online registration of interest form. On this form you will be able to nominate the public secondary school/s you would like your child to attend for 2022. Paper forms are also available to families if you cannot access the internet.

Registrations will close Friday 21 May 2021. Families will receive an enrolment offer from their allocated secondary school by Friday 13 August 2021.

Families currently attending a non-government school can also apply to attend a public secondary school in 2022. They can get further information and a registration form from their local secondary school, education office or through the Department's website at [education.sa.gov.au/enrolment](http://education.sa.gov.au/enrolment)

If you have any questions you should talk to your primary school or you can email the statewide transition team at: [education.startingsecondaryschools@sa.gov.au](mailto:education.startingsecondaryschools@sa.gov.au).

#### Where to find out more

Stay informed through your school and the Department for Education's website: [www.education.sa.gov.au/7toHS](http://www.education.sa.gov.au/7toHS)

Or share your feedback with the project team by emailing: [Year7toHS@sa.gov.au](mailto:Year7toHS@sa.gov.au)
