## 2020 SAPSASA Sports – Nomination

Students are invited to nominate for the 2020 SAPSASA sports. This is a Nomination Form only and will help us with the number of nominations per sport and will determine our participation in these events.

Trials for selection will only be held on a needs basis. Selection is based on ability with priority going to Year 7's ahead of Year 6's, however it should be noted that Year 6 students could and will be selected before Year 7 students if, in the opinion of the selectors, they have more ability. Team sport selection will be limited to children in their 11<sup>th</sup> year or older. *Year 5's who meet the age criteria can only be selected if there are insufficient suitable players in Year 7 or Year 6.* If there are not enough nominations for a sport, we will not participate in that event.

Please consider your child's commitments in other school activities as all events involve time out of class and it is the student's responsibility to follow up academic work that is missed. Students who nominate and are selected, need to commit themselves to the training sessions and to SAPSASA behaviour policy and dress code

### COSTS

**School** selection in a Magill School team, there is a \$30 fee per event, or capped at \$50 for more than one event.

**State Carnival** selection expenses range between \$80 - \$150. Selection means that your child will be out of school for a whole week (in most instances) at a venue somewhere in Adelaide. District selection for cross country, athletics and swimming only requires one day out of school time. Whether a week or a day district carnival, it is the child's parent responsibility to get their child to and from the event.

**State** selection expenses are usually in the order of \$1500 for air fares, uniforms etc. These generally run for a week and sometimes occur during school holidays.

### TRANSPORT

Parents are to arrange transport to and from all Knock Out events. All vehicles carrying children to and from sporting events in school hours must be covered with an appropriate comprehensive insurance policy.

Only suitably qualified people should be permitted to drive. This excludes those with L or P plates.

All vehicles being used must have seatbelts with the driver ensuring that they are worn.

Consent forms must be signed by parent / guardian prior to the competition.

Swimming, Athletics & Cross Country are large events and a bus will be booked for these events only.
