

Who are we?

The School of Languages is a government school established in 1986 to enhance access, choice and continuity in language learning for South Australian students, through the provision of quality programs in a broad range of languages R—12, that complement and supplement languages programs offered in mainstream schools and ethnic schools.

Year 7 transition year

In 2021, as part of our Year 7 transition to High School, the Year 7 language curriculum will be available as part of both our primary and secondary offerings. This means that Year 7 students have a choice to enrol in either our primary or our secondary classes. If you wish to enrol in a secondary class please go to: www.schooloflanguages.sa.edu.au for the full Year 7 timetable showing the secondary options.
