## Morning Assembly

The day kicked off with an amazing start at our morning assembly. All the students were dressed in their team colours and looked really great sitting with their house teams. Mr. Iannunzio started with a list of things we'll be doing today and what to remember to do and act. After that all the teams performed their outstanding cheers, starting with Terrific Tolmer, then Perfect Penfold, followed by Magnificent Murray and last but not least Fantastic Ferguson. All the cheers were really great and the kids enjoyed doing them. Then we did our traditional warm up Sports Day dance. This year we did a dance to the song 'Cup of Life' by Ricky Martin choreographed by the Year 7 Murray leaders. It was really fun and energetic and everyone had a good time doing it.

## Morning Class Events

Straight after the morning assembly each class split up and made their way to their first event. Each class had a different event rotation cycle. Some examples of the activities were high jump, shot put, hurdles and the oval run. In each event, first place got four points, second place got three points, third place got two points and fourth place got one point. There was also a bonus point that was given to the team that showed the best sportsmanship in each event. Each class did a great job and showed team spirit throughout the day and at all of the events. Everyone enjoyed having a go and trying their best at everything.

## Buddy Events

After recess, classes paired up with their buddies to do the buddy events. The events began roughly at 11:40am and finished before lunch. Each class participated in three of four activities: Rob the Nest, Weave the Hoop, Water Carry and River Crossing. To play Rob the Nest, teams steal bean bags from other teams 'nests'. In Weave the Hoop, teams hold hands and need to send three hoops around the circle, over everyone's legs, arms and heads. Water Carry sees teams transferring water from the tub at one end into a tube at the end, while trying to stop water coming out the holes. In River Crossing, teams need to safely get their team across the 'river' on mats, without falling into the 'crocodile-infested water'. There was lots of strong competition and it was great to spend good-quality time with our buddies.

## Afternoon Events

After lunch the Year 3-7s split into their house teams for some year level events. Some of the events that students participated in were: Tunnel Ball, 3 In A Sack, Relays, Bob Spry, Cart and Carry and lastly The R-7 Relay. Every student participated in at least one event for their team. Every team came first many times but in the end we had the first ever draw at Magill School with Murray and Tolmer sharing the grand prize. Penfold came in third place and Ferguson came last. Although we had two winners at the end of the day everyone participated therefore everyone is winners. The day was extra entertaining because of the draw which no one was expecting! All the team leaders were very encouraging and supportive and the teachers too. It was a very fun and enjoyable day for everyone involved.

Red, red, red we are the one  
 We are here to have some Fun  
 Here today we're strong and fast  
 We've had enough of coming last!

This year Tolmer's coming through  
 Cause there's no prize for number 2  
 So watch out yellow, green and blue  
 Back to back - you know it's true
